## PROFILE

As a B.Tech student in Cybersecurity, I'm passionate about safeguarding the digital world. Currently in my 3rd year, I'm honing my skills in threat detection, ethical hacking, and data protection. I'm committed to learning and staying ahead in this ever-evolving field. My goal is to become a cybersecurity expert who not only defends against cyber threats but also helps organizations thrive securely in the digital age.

### EDUCATION

#### Rashtrasant Tukdoji Maharaj Nagpur University

SVPCET, Nagpur

Bachelor's Degree in computer science  
engineering (cyber security)  
2022 - 2026

### VOLUNTEER WORK

During my college departmental event I have worked as a coordinator in graphic designing. I have gain much experience and loved the work as a post of coordinator.
